

2020-21 After School Online Program

When it comes to learning a language, everyday learning delivers better results than crushing two hours on the weekend. In the face of COVID-19, our After-School Mandarin program goes *virtual* in the new school year!

Key Benefits:

- More consistent and frequent learning schedules for better results.
- Interactive and stimulating approach with the assistance of leading-edge technologies.
- Personalized attention and tailored guidance in smaller class sizes.
