

2020-21 After School Online Program

When it comes to learning a language, everyday learning delivers better results than crushing two hours on the weekend. In the face of COVID-19, our After-School Mandarin program goes *virtual* in the new school year!

Key Benefits:

- More consistent and frequent learning schedules for better results.
- Interactive and stimulating approach with the assistance of leading-edge technologies.
- Personalized attention and tailored guidance in smaller class sizes.

1. Courses Options:

Courses	Age	Description
Kinder Mandarin	3-5 years old	Learn new Mandarin words and phrases through songs, stories and amusing hands-on activities based on different themes every week.
Happy Mandarin (For non-Mandarin speakers)	6 years old or above	This course is designed exclusively for students who do not have a Mandarin background. It focuses on developing Mandarin conversational skills. Our teachers incorporate interactive digital tools to conduct fun activities in class and use learning materials to facilitate practice at home.
Standard Mandarin (For Mandarin speakers)	6 years old or above	This course is designed specifically for Mandarin-speaking children. The goals of this course are to help students develop greater fluency in listening, speaking, reading and writing.
